RE: No Funding for Competitive Sports

---

We are writing this letter to advise all hockey players and broomball players that the Chief and Council of Sandy Lake First Nation will not be providing any funds to go towards fees, expenses and costs for any competitive sports tournaments. We will, however, continue to support our hockey and broomball teams by providing a small sum of funds for entry fee on a case by case basis.

All teams or players contemplating entering a tournament must begin fundraising for your teams expenses. All your fundraising must cover the cost of your meals, accommodations and travel. We also advise that all individuals must provide their own money if they wish to participate in any sports competition such as hockey tournaments and broomball tournaments.

We hope to have your understanding and cooperation on this matter.

Sincerely,  
**CHIEF AND COUNCIL**  
**Sandy Lake First Nation**
