

I AM A MEMBER OF SANDY LAKE FIRST NATION

Sandy Lake First Nation Membership Code

Sandy Lake has had a membership code since 1987. The membership code outlines the rules on who can be a member of Sandy Lake.

There are changes to the membership that are being proposed.

Pick up a copy of the current membership code at the Band office. Read what it says.

There are information sessions during the week of May 18 – 28, 2015, about the membership code and proposed changes.

After that, the community members will be asked in a referendum to ratify proposed the changes.
